For airing on September 25, 2009

Welcome to the City of Alliance Activity Report

- Skyview Golf Course will be hosting the Alliance High School Girls Golf Invitational on Saturday, September 26th beginning at 9:00 a.m.
- Children are invited to visit outer space at Story Time on Tuesday, September 29th at 6:30 p.m. and Thursday, October 1st at 10:00 a.m. at the Alliance Public Library.
- The City of Alliance would like to encourage citizens to remove all summer recreational items such as campers, boats, jet skis, and portable grills from the street before inclement weather begins.
- This will be the last weekend for residents to enjoy watching the Central Park Fountain for the season. Parks staff will be winterizing the fountain on Monday, September 28th to ensure that it is not damaged by freezing temperatures.
- Be sure to stop by the Newberry Gift Shop at the Knight Museum and Sandhills Center to see all the great new gift ideas. There are one of a kind sand casted leaves, Husker ornaments and books by local authors.
- Several projects are underway to bring the City of Alliance Water Department into compliance with EPA mandated arsenic regulations. Construction has begun on a chlorine treatment building at the West Well field; a well and well house with arsenic removal equipment at both 18th and Colorado and the Elkhorn well; and a treatment facility at the Burnham well.

This concludes the Activity Report brought to you by the City of Alliance and KCOW. Please call the City at 762-5400 to share suggestions, comments or questions. Have a great weekend!
