

For airing on December 23, 2011

Welcome to the City of Alliance Activity Report

All City of Alliance offices will be closed Monday, December 26th and Monday, January 2nd for the holidays.

Donations of pet food are being accepted at the Alliance Police Department for the Animal Shelter. Monetary donations to the P.A.W.S. group to benefit the Animal Shelter may be left at 424 Niobrara.

City crews will begin picking up Christmas trees on Tuesday, December 27th and will continue until Friday, January 6th. Trees to be collected must be undecorated and cannot be in plastic bags or other containers as they interfere with processing. If you would like your tree collected, please place your undecorated Christmas tree on the parkade near the street in front of your residence and the Street Division will pick it up. Trees will not be collected from alleys and should not be placed in dumpsters or roll out containers.

Households with a roll out container are asked to put additional refuse from the Christmas holiday into their blue yard waste containers which will be collected on Wednesday, December 28th.

The City of Alliance Street Department will be installing new signage on 6th and 7th Streets between Mississippi and Flack Avenues on December 28th and 29th. The new signage will convert the current two-way traffic flow to a one-way traffic flow to ensure safety for the children that attend Grandview School. Sixth Street will become a westbound one-way street and Seventh Street will become an eastbound one-way street ensuring that children can enter and exit a vehicle safely from the passenger side. Please exercise caution while dropping your children off at Grandview School while drivers become accustomed to the new traffic pattern.

This concludes the Activity Report brought to you by the City of Alliance and KCOW, working together to **“Build the Best Hometown in America!”**

Find us on the web at www.cityofalliance.net or on Facebook at City of Alliance, Nebraska!

Happy Holidays from all of us at the City of Alliance!
