Welcome to the City of Alliance Activity Report

The City of Alliance is taking applications for the positions of Landfill Baler Operator Clerk, Community Development Administrative Secretary, Public Safety Dispatcher, Animal Control/Community Service Officer, Water Maintenance Worker III as well as Water Maintenance Worker I and all seasonal positions. Applications and complete job descriptions may be obtained at Workforce Development or at the City Clerk's office at 324 Laramie.

Beginning this week, City of Alliance Utility customers will receive a short survey from the Water Department with their utility bills. The Nebraska Department of Health requires that all public water suppliers conduct a survey every five years to help minimize the potential of accidental contamination of their water supply. All water customers must complete the survey and are asked to return it to the Utility Office with their utility payment. If you have any questions regarding the survey, please contact Mike Hulquist at 762-1907.

The Knight Museum Partners will be holding their quarterly meeting on Wednesday, February 8th at 7:00 p.m. at the Knight Museum and Sandhills Center. The theme of the meeting is "Winds of Change." If you are interested in becoming involved with future planning for the museum, please plan to attend. For more information regarding the Knight Museum Partners, please call 762-2384.

A Brown Bag program will be held today at noon at the Alliance Public Library. The Alliance High School Women's Writers Class will be reviewing "Room" by Emma Donoghue and "Sleeping with the Enemy" by Nancy Price. Coffee and cookies will be provided by the Friends of the Library.

The City of Alliance currently has vacancies on the Board of Adjustment, A-1 and A-2 Downtown Improvement Boards, Economic Development Plan Citizen Advisory Board, Park and Tree Board, and the Planning Commission. If you are interested in serving on any of these Boards, please contact the City Clerk's Office.
