**Welcome to the City of Alliance Activity Report**

All City of Alliance offices will be closed on Monday, February 20<sup>th</sup> in observance of President's Day.

The City of Alliance is taking applications for the positions of Community Development Administrative Secretary, Public Safety Dispatcher, Animal Control/Community Service Officer, Water Maintenance Worker III as well as Water Maintenance Worker I, Police Sergeant, Police Officer I and all seasonal positions. Applications and complete job descriptions may be obtained at Workforce Development or at the City Clerk's office at 324 Laramie.

Children will celebrate President's Day at Story Time on Tuesday, February 21<sup>st</sup> at 10:00 a.m. and Thursday, February 23<sup>rd</sup> at 1:00 p.m. at the Alliance Public Library.

During the month of February, City of Alliance Utility customers will receive a short survey from the Water Department with their utility bills. The Nebraska Department of Health requires that all public water suppliers conduct a survey every five years to help minimize the potential of accidental contamination of their water supply. All water customers must complete the survey and are asked to return it to the Utility Office with their utility payment. If you have any questions regarding the survey, please contact Mike Hulquist at 762-1907.

"Love is in the Air" at the Knight Museum & Sandhills Center! On Thursday, February 23<sup>rd</sup> at 6:30 p.m., Becci Thomas will present a program about the history of Valentine's Day. A collection of vintage Valentines belonging to the museum will be on display and you are invited to bring any of your valentines to share after the program. For more information, please contact the museum at 762-2384.

This concludes the Activity Report brought to you by the City of Alliance and KCOW, working together to **"Build the Best Hometown in America!"**
