In preparation for the new school year, the City of Alliance Street Department has begun the installation of signage for reduced speed of 20 mph in school zones from 7:00 a.m. until 4:00p.m. Crews have also been inspecting cross walks and trimming trees around signs to make them more clearly visible to motorists. The Street Department would like to remind parents of students attending Grandview Elementary School that traffic flows one way around the school to ensure safe loading and unloading of children from the passenger side of the vehicle.

The City of Alliance would like to invite you to be our friend on Facebook! News tidbits, press releases, upcoming events, street closures and Condition Red Load Management alerts can be found on our City of Alliance, Nebraska page which shows a picture of the Central Park Fountain!
