School Zone flashing lights located at 10th and 18th Streets on Box Butte Avenue, 5th and 8th Streets on Potash Avenue and 6th and 9th Streets on Black Hills Avenue will be fully activated on Friday, August 24th. The lights will flash on weekdays between 7:00 a.m. and 4:00 p.m. with signage that states, “School” and “Speed Limit 20 When Flashing.” The new flashing lights and signage have been installed in an effort to enhance safety around our schools. This signage clearly designates school zones as well as provides drivers with ample time to reduce their speed.
