The City of Alliance needs you to help "Build the Best Hometown in America!" We currently have one vacancy on the Planning Commission and we are looking for a volunteer to fill the available seat. The Planning Commission makes and adopts plans for the physical development of the City including the area immediately surrounding the City. The Planning Commission recommends to the Council programs for public structures, improvements and methods of financing its program. The Planning Commission terms are for a period of three years. For more information, please contact the City Clerk's office at 762-5400.

Do you have children ages 8 to 17 that have never flown in an airplane before? If so, be sure to bring them to the Nebraska State Fly-In at the Alliance Municipal Airport on Saturday, August 17th between 7:00 and 9:00 a.m. to register for the Young Eagles Flight by EAA #608! Parental permission slips will be required. The kids will also want to try out the big screen flight simulators as well! Additional information regarding the Fly-In is available at www.FlyAllianceNE.com.

This concludes the Activity Report brought to you by the City of Alliance and KCOW, working together to "**Build the Best Hometown in America!**"
