

For airing on January 3, 2014

Welcome to the City of Alliance Activity Report

Today is the final day for City crews to pick up Christmas trees. Trees to be collected must be undecorated and cannot be in plastic bags or other containers as they interfere with processing. If you would like your tree collected, please place your undecorated Christmas tree on the parkade near the street in front of your residence and the Street Division will pick it up. Trees will not be collected from alleys and should not be placed in dumpsters or roll out containers.

An open meeting to gather input for the best use of the Senior Center/Nutrition site will be held on Tuesday, January 7th at 12:30 p.m. at 212 Yellowstone. Anyone interested is welcome to attend.

The City of Alliance is now accepting applications for seasonal employment. A seasonal application packet is available on the City's website at www.cityofalliance.net or in the City Clerk's office.

The Knight Museum and Sandhills Center will be hosting the monthly Scrapbook Crop on Friday, January 3rd and Saturday, January 4th. Please contact Becci at 762-2384 if you are interested in preserving your heritage through scrapbooking!

The Knight Museum and Sandhills Center is in need of people to sort, identify, label and scan a large collection of photographs donated by the Alliance Times Herald. Museum staff will be conducting training on Wednesday, January 8th at 10:00 a.m. for anyone that would like to participate in this project. After completion of the training, volunteers may choose any convenient time to work on the collection.

A Brown Bag program will be held today at noon in the Community Rooms of the Alliance Public Library. Rachel Lewis will review "How Dear to My Heart" by Emily Kimbrough. Light refreshments will be provided by the Friends of the Library.

The theme for Story Time at the Alliance Public Library next week will be National Soup Month! It sounds delicious! What is your favorite soup?

This is the end of our report brought to you by the City of Alliance and KCOW, working together to **"Build the Best Hometown in America for your kids!"**

Have a nice week!
