The Alliance Police Department has been made aware of a phone scam targeting Alliance businesses. A business was contacted after hours indicating that they had been contracted by the City of Alliance to provide utility disconnect services. The business owner was asked to electronically transfer money to avoid having their power shut off. The City of Alliance does not contract with any outside business to disconnect service and does not contact businesses after regular business hours. Past due and disconnect communication is done by mail from the City of Alliance Utility Office and a "Disconnect Hang Tag" is placed on the door of the business or residence prior to turning off the electricity. If you receive a telephone call regarding your utility service during regular business hours that you feel is suspicious, please hang up and call the City of Alliance Utility Office at 762-5400 or 762-5075.
