In an effort to gain a better understanding of how residents of our community feel about the various services the City of Alliance currently offers, a team of City of Alliance employees volunteered to create a "Satisfaction Survey." We would like to receive feedback from as many residents as possible by May 30th. Please fill out the paper copy of the survey included in your City of Alliance Utility bill and return with your payment or complete the online version available on the City of Alliance website at www.cityofalliance.net.
