Welcome to the City of Alliance Activity Report

Due to the recent snow storms, the final day for City crews to pick up Christmas trees will be January 9. Trees to be collected must be undecorated and cannot be in plastic bags or other containers as they interfere with processing. If you would like your tree collected, please place your undecorated Christmas tree on the parkade near the street in front of your residence and the Street Division will pick it up. Trees will not be collected from alleys and should not be placed in dumpsters or roll out containers.

The Alliance Municipal Landfill will be open today from 8:00 a.m. to 4:30 p.m. and Saturday, January 3rd from 8:00 a.m. to noon.

The City of Alliance is currently accepting applications for Electric Journey Line Worker and Electric Apprentice Line Worker as well as 2015 seasonal positions. Applications and job descriptions may be found at cityofalliance.net.

The Alliance Public Library will host 2012 USA Olympic Shooting Team member, Frank Thompson for the Brown Bag program today at noon. Frank will discuss his experiences with the shooting team, competitions and his world wide travels.

The Knight Museum and Sandhills Center will be hosting the monthly Scrapbook Crop today and Saturday, January 3rd. Please contact Becci at 762-2384 if you are interested in preserving your heritage through scrapbooking!

As the winter continues, the City of Alliance Street Department would like to ask residents to move their vehicles off the streets if possible during snow storms which will enable the plows to clean the streets more efficiently.

This concludes the Activity Report brought to you by the City of Alliance and KCOW, working together to **“Build the Best Hometown in America!”**
