The Knight Museum & Sandhills Center is happy to announce a new summer program called “Kid’s Collections”. The first collection features a 1/64 scale farm set-up created by Kyler and Carson Thomas and Wyatt Walker. Several of the toys were fabricated and built by Wyatt. This program celebrates summer fun as a child and encourages children to see their collection through new eyes. If your child has a collection that they are interested in displaying, call Becci at 762-2384.

Severe weather can happen any time. The CodeRed Emergency notification system is available free of charge and will advise you when severe weather is approaching. You may sign up for CodeRed on the City of Alliance web page at www.cityofalliance.net. If you live in a mobile home or are without a basement, please make arrangements with friends or family to provide you with shelter.
