Welcome to the City of Alliance Activity Report.

- During snowstorms, the City of Alliance would like to encourage citizens to move all vehicles out of the streets to allow the plows to clear the snow more effectively and to deposit the snow removed from driveways and sidewalks on to their lawns. This will not only provide much needed moisture for grass and trees, but will also keep citizens in compliance with the Municipal Code which states that property owners may not deposit snow on City streets. Street crews are not able to avoid plowing snow into driveways while plowing streets. If you are unable to remove the snow from your driveway, please make arrangements for someone to clear it for you.
- February is “Amnesty Month” at the Alliance Public Library. Overdue books may be returned at any time during the month with no fines collected.
- Plan to attend the Brown Bag program at the Alliance Public Library on Friday, February 6th. Jody Mischnick will review “The Book Thief” by Markas Zusak which is the story of a young German girl during WWII. Refreshments will be served by the Friends of the Library.

This concludes the Activity Report brought to you by the City of Alliance and KCOW. Please call the City at 762-5400 to share suggestions, comments or questions. Have a great weekend!
