In anticipation of the receipt of a recycling grant, the City of Alliance is forming a Community Recycling Committee and is currently accepting applications to serve on the committee. This committee will gather information measuring the commitment of the community for expanding and growing recycling operations as well as establishing a “grassroots” investment into the future of waste reduction and recycling collections services in the City of Alliance and within Box Butte County. Anyone wishing to serve on the committee is asked to contact the City Clerk’s office at 762-5400.
