### **RESOLUTION - Award bid to Snyder Industries, Inc for 2026 purchase of refuse containers.**

As part of this year's CIP budget process the need for refuse containers was identified for community. A list is maintained by the Landfill and currently has several locations waiting for new refuse containers. Funds for this equipment were added to this years CIP budget and approved. The Public Works Department requested quotes in accordance with State law and sent specifications to vendors. Snyder Industries, Inc was the only bidder to respond. Snyder Industries has responded

to the refuse container bid several times in the past and has been the low bidder. Snyder Industries submitted a quote in the amount of \$48,680.00. Staff would like council to approve this order to satisfy the immediate need for dumpsters. The budget is \$100,000.00 for dumpsters this year. Staff will wait to place the second half of the order until more dumpster requests are received and a better understanding of size requirements is compiled.

**RECOMMENDATION: APPROVE BID AWARD TO SNYDER INDUSTRIES INC AND PURCHASE OF REFUSE CONTAINERS IN AMMOUNT OF \$48,680.00 FROM GL # 06-41-42-45-526.**

RESOLUTION NO. 26-06

*WHEREAS*, The City of Alliance provides refuse collection and disposal to the residents of the City of Alliance; and

*WHEREAS*, The City of Alliance needs to supply additional refuse containers to replace containers that have deteriorated and to distribute additional refuse collection containers in the City; and

*WHEREAS*, The City issued a Request for Bids for refuse containers to one vendor responded and one bid was received; and

*WHEREAS*, The bid from Snyder Refuse of Lincoln, NE was the lowest responsive, responsible bidder and Staff is recommending the purchase of 40 refuse containers, including lids, hardware and shipping in the amount of Forty-Eight Thousand Six Hundred Eighty and No/100ths Dollars (\$48,680.00); and

*WHEREAS*, Funding for this purchase has been budgeted within the Refuse Fund.

*NOW, THEREFORE, BE IT RESOLVED*, by the Mayor and City Council of Alliance, Nebraska, that the bid of Snyder Refuse of Lincoln, NE is accepted and the contract is awarded accordingly for the purchase of refuse containers at the bid price of Forty-Eight Thousand Six Hundred Eighty and No/100ths Dollars (\$48,680.00).

*BE IT FURTHER RESOLVED* that the purchase of the refuse containers will be funded from Account No. 06-41-42-45-526.

PASSED AND APPROVED this 3<sup>rd</sup> day of February, 2026.

## SkyView Golf Course Fee Recommendation

In an effort to further enhance and promote increased use of SkyView Golf course, the Golf Course Advisory Board (GCAB) is recommending changes to the Cart Storage and Locker Rental Fees for the 2026 golf season. The proposed rental fee increase also includes the implementation of a Course Use Discount. This discount will be applied if the customer also purchases a membership or punch card at SkyView golf course for the current season. For active course users, who have memberships or utilize punch cards, rental fees will remain consistent. Fee recommendations are as follows:

	Current	Proposed	Course Use Discount
Annual Private Cart Storage	\$400.00	\$600.00	(\$200.00)
Annual Locker Rent	\$ 45.00	\$ 90.00	(\$ 45.00)

Over time, individuals who do not actively utilize the golf course have continued to store personal equipment on-site. This has resulted in reduced availability of storage space for golfers who regularly use the facility, and a waiting list for private cart storage and locker rentals. The goal of this recommendation is to adjust storage fees to encourage use of the facility while prioritizing active golfers who contribute directly to course utilization. In addition, the proposed increase will better align fees with space demand, reduce long-term storage by inactive users, and free up capacity for individuals who actively utilize the golf course.

If approved, city staff will send letters to all individuals who will be affected by these rate changes for the 2026 golfing season.

**RECOMMENDATION: APPROVE PROPOSED REVISIONS TO THE GOLF FEES EFFECTIVE IMMEDIATELY FOR THE 2026 GOLFING SEASON.**

RESOLUTION NO. 26-07

*WHEREAS*, The City of Alliance owns and operates a Municipal Golf Course; and

*WHEREAS*, Fees are required for the upkeep, maintenance and improvement of the golf course; and

*WHEREAS*, Staff desires to implement new fees at SkyView Golf Course; and

*NOW, THEREFORE, BE IT RESOLVED* by the Mayor and Council of the City of Alliance, Nebraska, that the changes to the established Golf Fee Schedule are hereby authorized. Golf course fees effective February 3, 2026 shall be amended as follows:

		Course Use Discount
Cart Storage	\$600.00	(\$200.00)
Men's Locker	\$90.00	(\$45.00)
Woman's Locker	\$90.00	(\$45.00)

### Hal Murray Softball Complex Expansion and Improvement Project

The Alliance City Council expressed an interest in applying for grant funding to do preliminary design on and improvement and expansion project at the Hal Murray Softball complex. At that time staff assured council that additional information regarding possible funding opportunities would be provided prior to the final application being submitted. Below is information provided by Al Vancanti regarding possible funding sources and processes.

Staff requests that council decide if they would like to move forward with the planning stage after reviewing the following information detailing possible funding sources for the construction phase. I hope to have Al available by phone to answer questions if necessary.

#### POTENTIAL FUNDING SOURCES

##### HAL MURRAY SOFTBALL COMPLEX EXPANSION

###### **CDAA TAX CREDITS**

Recently restored. Could incentivize \$62,500-\$125,000 in donations. A project can request up to \$50,000 in CDAA state income tax credits. It has to give the donor tax credits equal to 40% of the donation. Example: A \$25,000 donation would receive \$10,000 in credits.

The amounts raised from the tax credits become matching funds.

###### **CCCCF**

Schedule A - \$375,000 Schedule B - \$562,000  
2026 applicants for construction phase projects could get one-half of the cost of the project up to a maximum of \$375,000.

###### **LWCF**

Nebraska Game and Parks Commission  
We've had one hang-up on previous applications, and that is the lock on one of the fields due to use for school softball. I would encourage you to remove the lock.

Would be due in September of 2027, with a 2029 project start date.

**CCCCF and LWCF can be used as the City's match for the other.**

###### **CDBG**

I will explore the possibility of this.

###### **FOUNDATIONS**

I will continue to explore foundations in Nebraska and beyond that may fund recreational facilities, especially adaptive recreational facilities.

## February 3, 2026

**NOTE:** All grant funding possibilities will want to see community support. That means that the City, its people, its organizations, and/or its businesses need to contribute towards the costs of the project. It most likely cannot be done all by grant funds.

**Example:** The 2020 CCCFF was secured after the Alliance community raised over \$238,000 from 16-18 separate fundraisers which then inspired a \$250,000 anonymous donation. The fundraisers were the major proof of community support.

**STRATEGY:** Request \$50,000 in CDAA tax credits to raise \$125,000 in matching funds. The City commits \$125,000 in funding, raising the amount of matching funds to \$250,000.

Consider naming rights to any of the new fields to be constructed in the complex. Also seek additional funding from individuals and businesses in an effort to show the public support for the project.

Use these funds to seek funding from CCCFF. If successful, then the City will have \$750,000 in matching funds that can be used in its LWCF application.

**RECOMMENDATION** Spend the \$35,000 in matching funds for the planning grant so that we will know the scope and cost of the construction phase. We can take another 1-3 years to raise the funds for that.

**RECOMMENDATION: DECIDE IF THE CITY OF ALLIANCE WANTS TO MOVE FORWARD WITH REQUESTING FUNDS TO EXPAND AND IMPROVE THE HAL MURRAY SOFTBALL COMPLEX.**
